

SWARCer NEWS

ATTENDANCE

No attendance was taken.

No newsletter for May as it was the spring picnic. We did enjoy some wonderful BBQ from Jason. Thank you Jason.

The June meeting is elections.

After some business was handled we held our elections.

The Club approved \$300.00 for Field Day dinner.

The group also discussed the 145.210 location. A rumor had started as to the tower having been sold and that the repeater was losing its spot. We put a stop to the rumor.

Public Service Through Amateur Radio

South Wake ARC's primary purpose is to further the Amateur Radio Service through programs, activities, and education, in order to promote the radio knowledge, fraternalism and individual operating efficiency of our members. Further, it shall be our purpose to support the welfare of our community through public service including radio communications for emergency situations and public events, and through providing information, training, and assistance to individuals or organizations with an interest in the Amateur Radio Service.

Raffle

The Raffle is in full swing and tickets are selling fast. If you have not gotten yours you better hurry before they are gone

Prizes will be gift certificates in the amounts of \$300.00, \$250.00, and \$100.00 to our favorite ham radio outlet.

David, N4TTN and Jason, KM4PFV are the individuals that hold the tickets. I understand that as of RARS Fest that 138 tickets have been sold. I have it on good information that David is out selling Jason 3 to 1 so if you still need a few tickets see Jason.

David informed us that 225 tickets have been sold. That is \$1,125.00 turned into the club. That means we have cleared the cost of the prizes and are a little over \$400 ahead. However there are still 175 tickets to sell.

Nick KM4DMO volunteered to be the new Net Whip. It took me two hours to convince Nick that we do not issue whips to the Net Whip.

The new board of directors need to have a meeting before the next club meeting to set the budget. The proposed meeting will be at the SWARC Field Day at 12:00 before the Field Day

activities start.

As the year progresses there will be opportunities for members to lend a helping hand. So do not be surprise if you are asked to help out during the year.

I want to thank all the officers who worked with me over the last two years. The job was easier with all of the support I got from each and every one of you. Thank you all.

Steve
